

Autism Project of Palm Beach County

22nd Annual Auction

Dear Friend and Business Owner:

The non-profit organization, Autism Project of Palm Beach County (APPBC) is on the front lines supporting individuals with autism spectrum disorder (ASD) in Palm Beach County. ASD is an epidemic among children, affecting 1 in 44 individuals. More children are touched by ASD than diabetes, AIDS, cancer, cerebral palsy, cystic fibrosis, muscular dystrophy and Down syndrome *combined*.

APPBC will be holding its **22nd Annual Auction** virtually from April 1st through April 30th, 2023. All proceeds benefit APPBC, as well as the students at The Learning Center and The Learning Academy. These local charter schools exclusively serve over 275 students who have ASD. All fundraising and event committee are volunteers to ensure that your financial support and donations directly benefit these organizations.

We are requesting your support for these local organizations by donating an item or items for this year's event. A donation that can be auctioned in our virtual silent auction is a generous way to promote your business. Examples of donations we have received in the past have included, but are not limited to:

- Trips or local resort accommodations
- Gift cards to spas & other luxury service providers
- Golf or other sporting opportunity gift certificates
- Gift cards to local restaurants
- Tangible items such as coolers & athletic equipment
- Jewelry, Vintage wines, Sports memorabilia
- Wine, liquor

Donations with market values of \$1,000 or greater will receive the business name/logo on the Auction website and acknowledgement on the organizations' social media pages.

Thank you in advance for your support.

Richard Busto, President
