

Autism Project of Palm Beach County 22nd Annual Auction

Dear Friend and Business Owner:

Autism Project of Palm Beach County (APPBC) is on the front lines supporting individuals with autism spectrum disorder (ASD) in Palm Beach County. ASD is an epidemic among children, affecting 1 in 44 individuals. More children are touched by ASD than diabetes, cancer, cerebral palsy, cystic fibrosis, muscular dystrophy and Down syndrome combined.

APPBC will be holding its **22nd Annual Auction** virtually from April 1st through April 30th, 2023. All proceeds benefit APPBC, as well as the students at The Learning Center and The Learning Academy. These local charter schools exclusively serve over 275 students who have ASD.

We are requesting your support for these local organizations by sponsoring the event or donating an item that can be included in the online auction. This year's event sponsorships will be featured prominently on the online auction website as well as on APPBC, TLA, TLC social media pages which totals over 3500 followers.
